Turn It On Turn It Up Turn Me Loose

Intro: E

E B
Well I'm back again for another night
E
Of trying to break free from this sadness I can't lay to rest
B
This old honky-tonk sure does feel like home
E
And the music with the laughter seem to suit my loneliness

A
(So) Turn it on, turn it up, turn me loose
E
From her memory that's drivin' me lonely, crazy, and blue
A
It helps me forget her so the louder the better
E B7 E
Hey mister, turn it on, turn it up, turn me loose

E B7
Now if a tear should fall, if I should whisper her name

To some stranger I'm holdin' while we're dancin'
E
To an old Buck Owens song
B7
I know she won't mind, she won't even know

She'll be dancin' with a memory
E
Cryin' teardrops of her own

(Chorus x2)
