See what you lost when you left this world, this sweet old world
F# Abm C# F#
The breath from your own lips, the touch of fingertips
F# Abm C#
A sweet and tender kiss
F# Abm C# F#
The sound of a midnight train, wearing someone's ring
F# Abm C#
Someone calling your name
B Bbm
Somebody so warm cradled in your arm
B. C#
Didn't you think you were worth anything
F# Abm C# F#
See what you lost when you left this world, this sweet old world
F# Abm C#
See what you lost when you left this world, this sweet old world

F# Abm C# F#
Millions of us in love, promises made good

Your own flesh and blood
F# Abm C# F#
Looking for some truth, dancing with no shoes
F# Abm C#
The beat, the rhythm, the blues

B *Bbm*
The pounding of your heart's drum together with another one

Didn't you think anyone loved you
F# *Abm* *C#* *F#*
See what you lost when you left this world, this sweet old world
F# *Abm* *C#*
See what you lost when you left this world, this sweet old world
