Fire In The Canyon

This tab is 99.9% correct and includes key changes, etc.

C
There's fire in the canyon
Em Am
Rain on the plain
F C
and an eerie kind of sadness
G7 C
on the highway today
C
Was it driving together
Em Am
That drove us apart
F C
Or did we change directions
G7
chasing arrows and hearts

Am G7
We've been wondering alone
C
Such a long time
Em F C
Lose our way we go town to town
Am G7
Believe us to be born
C Am
Into a path straight and narrow
F G7 C
On every crooked road we travel down

C
And I'm checking out the road signs
Em Am
Highway hotels
F C
And their air-conditioned cable-ready
G7
Cold padded cells
C
And we read them like stories

Em Am
In trash magazines
F C G7
But we ain;t really sure what it means

Am G7
We've been wondering alone
C
Such a long time
Em F C
Lose our way we go town to town
Am G7
Believe us to be born
C Am
Into a path straight and narrow
F G7 C
On every crooked road we travel down

--- BRIDGE ---

D
I ride this motorway
F#m
For a thousand miles a day
G
'Til the road runs outta black top
A
Or I will this world away
D
Each town is steeped in rain
F#m
And I know each one by name
G
'Cause this world is wrapped around me
A7 D
And I wear it like a chain

--- SOLO ---

D F#m Bm G D A7

D F#m Bm G D A7
NOTE THE KEY CHANGE HERE, AND THE REALLY COOL CHORD CHANGE ON THE VERY LAST LINE!

Bm A
We've been wondering alone
