Re Your Brains

Transcribed by M_Pony

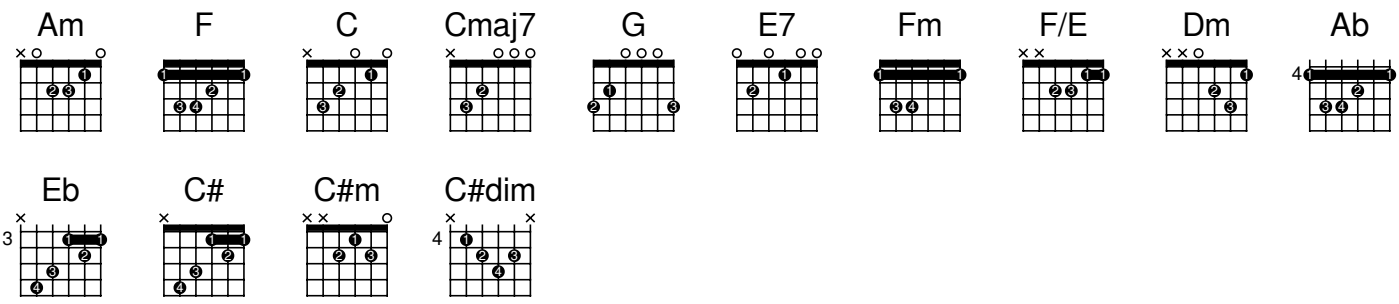

Am *F* *C* *C* *Cmaj7*
Heya Tom, it's Bob.. from the office down the hall
Am *F* *G*
Good to see you buddy, how've you been?
Fdim (xx3434) Am Am7 D7
Things have been OK for me except that I'm a zombie now
G
I really wish you'd let us in
F *C* *E7* *Am*
I think I speak for all of us when I say I understand
F *C* *E7* *Am*
Why you folks might hesitate to submit to our demand
F *Fm*
But here's an FYI: you're all gonna die.. screaming

C *G* *F* *G*
All we want to do is eat your brains
C G F (F/E F F/E F) G
We're not unreasonable, I mean, no-one's gonna eat your eyes
C *G* *F* *G*
All we want to do is eat your brains
Am Em F (F/E F F/E F F/E)
We're at an impasse here, maybe we should compromise:
F *F/E* *Dm*
If you open up the doors
F *F/E* *F* *G* *C*
We'll all come inside and eat your brains

verse, chords as above

I don't want to nitpick, Tom, but is this really your plan?
To spend your whole life locked inside a mall?
Maybe that's OK for now but someday you'll be out of food and guns
And then you'll have to make the call
I'm not surprised to see you haven't thought it through enough
You never had the head for all that bigger picture stuff
But Tom, that's what I do, and I plan on eating you.. slowly

repeat Chorus, but with a slightly different ending

F F/E F G Ab
We'll all come inside and eat your brains
Eb C#dim(xx5656) C#
I'd like to help you Tom, in any way I can
C#m Ab
I sure appreciate the way you're working with me
Eb C#dim Fm
I'm not a monster Tom, well, technically I am
C
I guess I am

verse, chords as above

I've got another meeting Tom, maybe we could wrap it up
I know we'll get to common ground somehow
Meanwhile I'll report back to my colleagues who were chewing on the doors
I guess we'll table this for now
I'm glad to see you take constructive criticism well
Thank you for your time I know we're all busy as hell
And we'll put this thing to bed
When I bash your head.. open

repeat first chorus
