Absolutely Cuckoo

E
Don’t fall in love with me yet
B
We only recently met
F#
True I’m in love with you but
B
you might decide I’m a nut
E
Give me a week or two to
B
go absolutely cuckoo
F#
then, when you see your error,
B
then, you can flee in terror
E
like everybody else does
B
I only tell you this cause
F#
I’m easy to get rid of
B
but not if you fall in love
E
Know now that I’m on the make
B
and if you make a mistake
F#
my heart will certainly break
B
I’ll have to jump in a lake
E
and all my friends will blame you
B
There’s no telling what they’ll do
F#
It’s only fair to tell you
B
I’m absolutely cuckoo
