I Don T Believe In The Sun

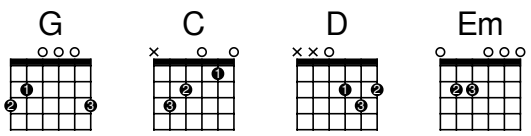

Capo 3 - Eb

[G] [C]
They say there's a sun in the sky
[D] [G]
but me, I can't imagine why.
[C]
There might have been one
[D]
before you were gone
[Em] [D] [C]
but now all I see is the night,
[G] [C] [D] [C]
So I don't believe in the sun
[G] [C] [Em] [D]
How could it shine down on everyone
[C] [G] [D]
and never shine on me
[C] [G] [D]
How could there be
[C] [G] [D]
such cruelty.

[G] [C]
The only sun I ever knew
[D] [G]
was the beautiful one that was you.
[C]
Since you went away
[D]
it's nighttime all day
[Em] [D] [C]
and it's usually raining too.

[G] [C] [D] [C]
So I don't believe in the sun
[G] [C] [Em] [D]
How could it shine down on everyone
[C] [G] [D]
and never shine on me
[C] [G] [D]
How could there be
[C] [G] [D]
such cruelty.

[C] [G] [D] [G]
The only stars there really are
[C] [G] [D]
were shining in your eyes.

```
         C      G   D        G
There is no sun except the one
       C                G          D
that never shone on other guys.
       C           G             D  G
The moon to whom the     poets croon
      C       G        D
has given up and died.
D
Astronomy will have to be revised.

     G        C                  D  C
So I don't believe in the     sun
G                C                   Em  D
How could it shine down on       everyone
C     G                   D
 and never shine on me
C   G                     D
     How could there be
C   G     D
     such cruelty.
```
