My Sentimental Melody

G C
I'm a hopeless romantic
F
You're a terrible flirt
G
Cool and unfazed,
F
you're always amazed
C G
when someone gets hurt
C
I live on the blue planet
F
that I saw in your eyes
G
but now I can't stay
F
knowing it's made
C G
of beautiful lies

C Em Am
but my sentimental melody
G
like a long-lost lullabye
Am Em
will ring in your ears
G Am
down through the years
C Am G
bringing a tear to your eye
C
Goodbye

G C
Love can kill people, can't it
F
Well it still might kill me
G
Each drop of rain
F
is a glass of champagne
C G
It's sweet and it's free
C
When I drink I don't panic
F
When I drink I don't die

G
When I’m far gone
G
it’s all just a song
C *G*
just beautiful lies...

C *Em* *Am*
but my sentimental melody
G
like a long-lost lullabye
Am *Em*
will ring in your ears
G *Am*
down through the years
C *Am* *G*
bringing a tear to your eye
C
Goodbye
