She S Got You High

These chords are good if you want to sing this song on your own (as apposed to as part a band). I'm not sure if anyone actually plays the chords in the song but here they are:

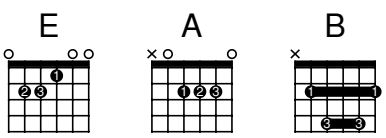

E
Verse 1 She's got you high and you don't even know yet
E
She's got you high and you don't even know yet
A
The sun's in the sky, its warming up your bare legs
E
You can't deny your looking for the sunset

E
Verse 2 She's got you high and you don't even know yet
E
She's got you high and you don't even know yet
A
It's the search for the time before it leaves without you
E
Have you lost your mind or has she taken all of yours too?

E
Verse 3 Whats this about? I figured love would shine through
E
We've lost romance this world has turned so see through
A
Open your mind, believe it's going to come to
E
Keep romance alive and hope she's going to tell you

E
Verse 4 She's got you high and you don't even know yet
E
She's got you high and you don't even know yet
A
The sun's in the sky, it makes for happy endings
E
You can't deny you want a happy ending

E
She's got you high
E
She's got you high

B *E*
She’s got you high

Verse 5(same chords as verse 1):

E
Whats this about? I figured love would shine through
E
We’ve lost romance this world has turned so see through
A
Open your mind, believe it’s going to come to
E
Keep romance alive and hope she’s going to tell you

Verse 6
E
Whats this about? I figured love would shine through
E
We’ve lost romance this world has turned so see through
A
Open your mind, believe it’s going to come to
E
Keep romance alive and hope she’s going to tell you

B
She’s got you high

Verse 7
E
Whats this about? I figured love would shine through
E
We’ve lost romance this world has turned so see through
A
Open your mind, believe it’s going to come to
E
Keep romance alive and hope she’s going to tell you

B
She’s got you high

That’s it. Hope you like it. Please rate or leave a comment.
