James:

I have enjoyed ftp-ing to pub/guitar and downloading some great stuff!!
I'm sure that I am one of many who enjoy the service that you provide.
Keep up the great work!!

I wish that posters would learn that only the whole song is useful.
When someone posts a song with just the opening riff or a few of the
words, it is pretty useless. I would suggest that you identify these
partials with some kind of extension like .inc or .part to indicate that
they might not be worth downloading.

Anyway, here's a tasty old biscuit by Nick Lowe for the archives.
I'm also sending a new George Thorogood in a separate messsage.

Cruel to be Kind
Nick Lowe

Intro: C-Em-F-G (2x)

C *Em*
Oh, I can't stand another heart-ache
F *G*
Though you say you're my friend, I'm at my wits end
C *Em* *F* *Em*
You say your love is bona fide, but that don't coincide
F *Em* *F* *G*
With the things that you do, when I ask you, to be nice - you say

F *G* *Am*
You gotta be cruel to be kind in the right measure
F *G* *Em* *Am*
Cruel to be kind, it's a very good sign
F *G* *Em* *Am*
Cruel to be kind, means that I love you
G C-Em-F-G
Ba-by, you gotta be cruel to be kind

Well I do my best to understand you (it)
But you still mystify, and I wanna know why
I pick myself up, off the ground

To have you knock me back down, again and again
When I ask you to explain - you say

CHORUS - RIDE C-A F-G-Em-Am

Verse 2 - Well I do my best ...

CHORUS (3x) fade
