Teacher Teacher

Teacher Teacher

A E
A E
  Young love, teacher`s pet
D A
  Cheeks flushed, apple red
A E
  Ringing you every day
D A
  Begging for a word of praise
B F#
I` ve put aside my foolish games
E B
I run and hide and call names
B F#
  School`s out, the bells`ll ring
E F# B
Now`s the time to teach me everything

B E
  Teacher, teacher, teach me love
B F# B
I can`t learn it fast enough
B E
  Teacher, teacher, teach me more
B F# B
I` ve got to learn to love for sure

B
Lesson one, just begun
E F#
  Growing up, ain`t much fun
Grown up, out of school
Out of luck and out of rules
No one there to tell me how
A different world - teacher, teacher, teach me now

Lesson two nothing new
I can`t love, just passing through
The books I read don`t understand
What it means to be a man
I need a woman just like you
Teacher, teacher, teach me what to do
