How

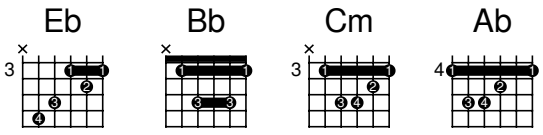

Eb *Bb*
How can I forget your love?
Cm *Ab*
How can I never see you again?
Eb
There's a time and place
Bb
For one more sweet embrace
Cm
And there's a time, ooh
Cm
when it all, ooh
Ab
Went wrong

Eb
I guess you know by now
Bb *Eb*
That we will meet again somehow

N.C.
How-ow-ow, Oh baby
Eb *Bb*
How can I begin again?
Cm *Ab*
How can I try to love someone new?
Eb
Someone who isn't you
Bb
How can our love be true?
Cm
When I'm not, ooh
Ab
I'm not over you

Ab *Eb*
I guess you know by now
Bb *Eb*
That we will meet again somehow

Ab *Bb* *Eb*
Time can come and take away the pain
Ab *Bb* *Eb*
But I just want my memories to remain
Eb *Ab*
To hear your voice
Ab *Eb*
To see your face

Ab Bb Eb
There's not one moment I'd erase
Ab Bb
You are a guest here now

So baby
Eb Bb
How can I forget your love?
Cm Ab
How can I never see you again?
Eb Bb
How can I ever know why some stay others go?
Cm
When I don't, ooh

I don't want you to go

Eb
I guess I know by now
Bb Eb
