Love Shines

I didn't tab this, but I filled the chords out over the song. The lyrics probably have to be corrected.

(Capo 1)

```
--------------------------|
--------------------------|
-----0--------------------|
-2-----2--0--2-------------|
-------------------3-------|
--------------------------|
```

C Dm G Riff X4

C Dm G C Dm G Riff
In every nowhere town there are somewhere dreams
C Dm G C Dm G Riff
Patiently holding out to grab the brass ring. To see their dream come true...

F Em Dm G C C7
Sends a spark through the darkened hole of the mine
F C Dm G C
Till light appears in happy tears

C Dm G Riff
That's where my love shines
C Dm G Riff

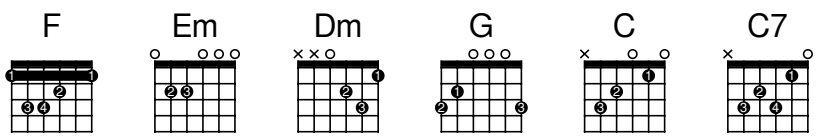

C Dm G C Dm G Riff
If we've this quiet in mind. There are silent days
C Dm G C Dm G Riff
To see ourselves defined by way of embrace. And I long to hold you...

F Em Dm G C C7
With all my mind its through the night hour ? collide
F C Dm G C
To ignite our eyes like fire flies

C Dm G Riff
That's where our love shines our love shines
Our love shines our love shines

Solo
F Em Dm G C C7

F Dm G C
C Dm G C Dm G Riff
In every nowhere town there are somewhere dreams
C Dm G C Dm G Riff

Gracefully reaching out to pull our strings. Now seeing what love can do...

F Em Dm G C C7
I understand it's like the candle glowing in the wine
F C Dm G C
It fills an arm with silver stars

C Dm G Riff
That's where my love shines

F
Oh well light appears
C
Your happy tears
Dm G C
That's where my love shines

C Dm G Riff
My love shines my love shines
My love shines my love shines
My love shines my love shines
My love shines my love shines
My love shines our love shines
My love shines our love shines
