Turn On Me

C
You can fake it for a while,

Bite your tongue and smile,
Am *Amsus4* *G*
Like every mother does an ugly child.
C *G C*
But it starts to leaking out,
C
Like spittle from a cloud,
G
Am amsus4
Amassed resentment counting ounce and pound.

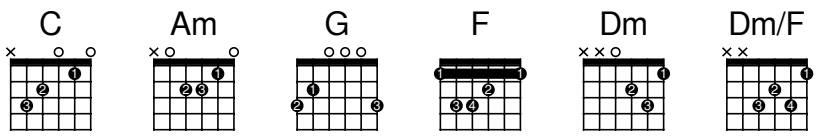

C *G* *F*
You're entertaining any doubt,

C *C* *G*
Because you had to know that I was fond of you,
C *G* *F*
Fond of Y-O-U,
F *C* *G*
Though I knew you masked your disdain.
C *G* *F*
(La la la la la)
C *G*
I can see that change was just too hard for us,
C *G* *F*
Hard for us.
C *G*
You always had to hold the reigns,
Dm *G*
But where I'm headed, you just don't know the way.

C
VERSE 2 So affections fade away,

And do adults just learn to play
G
The most ridiculous, repulsive games?
C *G* *C*
On the faith of ruddy suns,

And the double-barreled guns,
Am *amSUS4 G*
You better hurry, Rabbit, run, run, run.

C *G* *C*
Cause meeting you was fun,
C *Am* *amSUS4* *G*
And there's a lot of hungry howlers in this one cell. taking it over,
C *G* *C*
Their brittle, thorny stems,

They break before they bend,
Am *amSUS4* *G*
And neither one of us is one of them.

chorus 2

C *G* *F*
And the tails will never mend,
C *G*
'Cause you had it in for me so long ago.
C *G* *F*
Boy, I still don't know,
C *G*
I don't know why and I don't care,
C *G* *F*
Well hardly anymore
C *G*
If you'd only seen yourself hating mE
C *G* *F*
Hating me,
C *G*
When I've been so much more than fair.

Dm *G*
But then you had to lay those feelings bare,
Dm *G*
One thing I know still got you scared,
Dm *Am*
You're all that cold iron,
Dm *Am* *G*
And never once aired on a dare

INSTRUMENTAL (18bars copy verse)

F *C* *G*
You had to know that I was fond of you,
C *G* *F*
Fond of Y-O-U.
C *G*
So I took your lips at the time,
C *G* *F*
AHHHHHHHHHHaaaaaaaaaaaaaa
C *G*
And to change like that is just so hard to do,
C *G* *F*
Hard to do.
C *G*
Don't let it whip-crack your life,

Dm Dm/E Dm/F G
in a bow out from the fight,
Dm Dm/E Dm/F G
‘Cause oh, how your sisters will write.
Dm Am
The worst part is over,
Dm Am G
Now, get back on that horse and ride.
