Ripped Pants

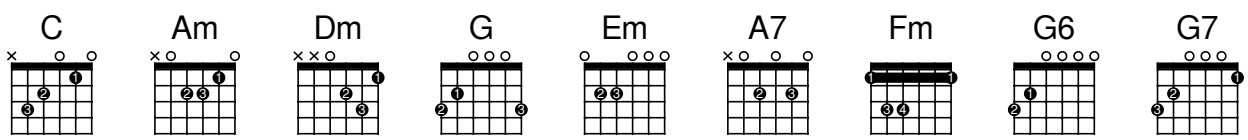

C
I thought that I had everybody
Am
on my side
Dm
but I went and blew it
G
all sky high

Em
and now she won't even
A7
spare a passing glance
Dm
all just because I
G
ripped my pants

C
when Big Larry came 'round just
Am
to put him down
Dm
Spongebob turned
G
into a clown
Em
And no girl ever wants
A7
to dance with a
Dm
fool who went and...
G
ripped his pants

Em
I know I shouldn't mope around
A7
I shouldn't curse
Dm
but the pain feels so much
Fm
worse

Em
Cause winding up with no one
A7
is a lot less fun
Dm
than a burn from the sun

G
or sand in your buns...

C
Now I learned a lesson
Am
I won't soon forget
Dm
so listen and
G
you wont regret
Em
Be true to yourself
A7
don't miss your chance
Dm
and you won't end up
G
like the fool…
G6 *G7* *G* *C*
who...ripped...his...pants.....
