Runnin' to-and-fro, hard workin' at the mill.

Too much monkey business. Too much monkey business.
E7 *D7* *A E7*
Too much monkey business for me to be involvedin.

Salesman talkin' to me. Tryin' to run me up a creek.
Go on buy it, you can try it, you can pay me next week, Ow!
Too much monkey business. Too much monkey business.
Too much monkey business for me to be involved in.

Blonde hair, good-lookin', tryin' to get me hooked.
Want me to marry, settle down, get a home, write a book, Ow!
Too much monkey business. Too much monkey business.
Too much monkey business for me to be involved in.

Been to Yokohama. Been fightin' in the war.
Army bunk, Army clothes, Army chow, Army car, Ow!
Too much monkey business. Too much monkey business.
Too much monkey business for to be involved in.

Same thing every day, gettin' up, goin' to school.
No need in me complainin', my objection's overruled, Ow!
Too much monkey business. Too much monkey business.
Too much monkey business for me to be involved in.

Workin' at the fillin' station, too many tasks.
Wipe the windows. Check the tires. Check the oil. A dollar gas. Ow!
Too much monkey business. Too much monkey business.
Don't want your botheration, get away, leave me.
